

"But He was wounded for our transgressions, He was bruised for our iniquities; the chastisement for our peace was upon Him, and by His stripes, we are healed."
ISAIAH 53:5

The **only** hope for peace was born in the Middle East, in Bethlehem. The angels sang,

"Peace on earth,
good will toward men!"

And the **only** hope for peace also died and rose from the grave in the Middle East.
His name is -
Y'SHUA (Jesus).

His peace is real and you can have it today. It transcends the situations of life because it comes from **GOD's all-powerful transcendent presence.**

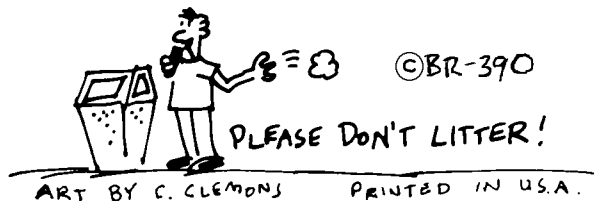

Through Y'shua the Messiah you can know **GOD's love, forgiveness and eternal peace.**

Y'shua said, "These things I have spoken to you that **in Me** you may have peace. In the world you will have tribulation; but be of good cheer, I have overcome the world."
JOHN 16:33

The ONLY HOPE FOR Peace

ART BY C. CLEMONS PRINTED IN U.S.A.

Everyone's for peace.
No one is against it.

But peace means different things to different people.

People say they want "peace" when they are trying to sleep with a loud party going on next door...

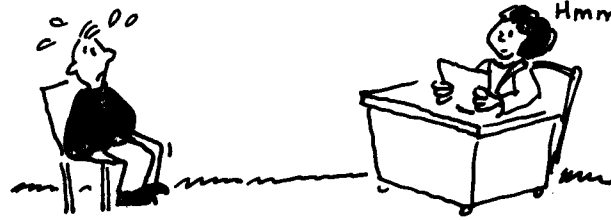

... they really want quiet.

People say they want "peace" when they are worried about being able to pay the bills...

... they really want prosperity.

People say they want "peace" when they are waiting to hear the results of a biopsy...

...they really want good health.

When we don't have what we want, we say we need peace! But that kind of peace disappears with the next set of problems. Not only that, but one person's "peace" may be *Tsuris* (problems) for the other guy!

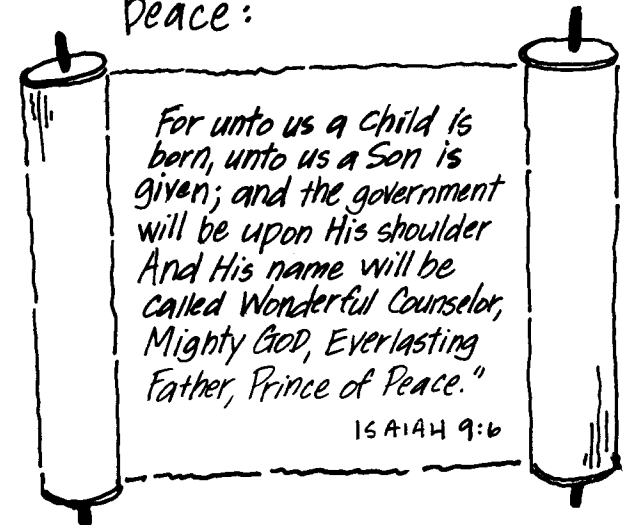

So where can we look for a lasting peace that works for everyone?

True peace is not just the absence of what's wrong, but the presence of what's right.

The Jewish prophets teach that the Messiah will bring Peace:

For unto us a child is born, unto us a Son is given; and the government will be upon His shoulder And His name will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace."

ISAIAH 9:6

But how was the Prince of Peace to achieve His goal?
